I understand that the purpose of this Authorization is so that Sandoz can (i) help to verify or coordinate insurance coverage or otherwise obtain payment for my treatment with Glatopa, (ii) coordinate my receipt of, and payment for Glatopa, (iii) facilitate my access to Glatopa, (iv) provide me with information about Glatopa and disease awareness and management programs and education materials, (v) manage the GlatopaCare program, (vi) conduct market research, quality assurance, and other internal business activities. While Sandoz will safeguard my information and only use it for its intended purposes, I understand that once my health information is disclosed it may be re-disclosed by Sandoz and other recipients and no longer be protected by federal privacy law. This authorization will remain in effect until the GlatopaCare program ends. I understand that I may revoke this authorization at any time by calling 1-855-GLATOPA (1-855-452-8672), but that this revocation will only apply to my healthcare provider(s) and health insurer(s) once they receive notification of my revocation and only to the extent that they have not already taken action based on it. I understand that my refusal to sign this authorization does not impact my right to treatment, payment for treatment, insurance enrollment, or eligibility for insurance benefits, as these are not conditioned on me signing this authorization.
